OLD FIRMS HAVE NEW BUYERS—The City Directory is their best aid. Your page is what they want to find—quick—have it classified and indexed.

The City Directory

Represents Conditions Today—

History Tomorrow

The men who direct the affairs of the city and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the world as no other publication does or can do.

It is the logical means of publicity in advertising the city, its industrial, commercial and social advantages.

Patronize the City Directory and you automatically boost your own business.

The sign over your door is a mighty good investment, but just consider how much "mightier" investment the Directory offers you.

THINK IT OVER!
